

Accountants

A Compiled list of Chartered Accountants on a national Basis. This list has been sourced from publicly available data. Extensive research and the combination of a number of sources has created a sophisticated list that can be segmented in a variety of ways.

All records are personalised.

The list is updated once per annum in keeping with the availability of source material plus all dead mail on a regular basis.

::Terms & Conditions

List rental costs cover one time usage only. All data is seeded with dummy names to detect unauthorized use and copying in any form is prohibited. Two sample mailing packages will be required for approval by owner.

We require a signed copy of our list rental agreement and order form prior to any order being processed.

Payment is required on delivery of data unless arranged otherwise. 10% GST applies to all Australian Companies.
