

Corporate Business Accessory Buyers

This list is made up of business people who have purchased corporate diaries and business accessories via mail order. They are mid to upper level business executives and professionals within the A-B quintile who work in medium to large companies.

The corporate business accessory range includes executive leather diaries that are able to be personalised, desk sets and superior quality accessories such as pens, business card holders and key-rings. The products are of the highest quality and are positioned at the top end of the market. The average purchase for these products is between \$70.00 - \$100.00
