

Fashion Clothing & Giftware Exhibition Attendees

IMPEX is an international exhibition comprising two dedicated co-located trade shows TCF International (Textile, Clothing & Footwear) and Gift & Homeware International. IMPEX is Australia's premier event for international manufacturers and suppliers seeking to establish profitable and effective distribution arrangements in the Australian market. They are held annually in Melbourne.

With Australia's robust and expanding market, Australia's international sourcing expo brings buyers and sellers together to generate new business opportunities and create new business relationships.

TCF International

TCF International was established in 1996 and is Australia's largest international exhibition for the Textile, Clothing, Footwear & Fashion Accessory industries, regularly attracting over 5,000 trade buyers and decision-makers. The continuing globalisation in the retail sector means that buyers are having to constantly source and identify new products in order to compete and differentiate themselves effectively in the marketplace.

Giftware & Homeware International

Gift & Homeware International is a dedicated event showcasing the finest in giftware and homeware products. At Gift & Homeware International your company will make face to face contact with leading buyers from Australia, New Zealand and the Asia Pacific region.

Typically visitors to both exhibitions are; importers, agents, wholesales, manufacturers, distributors and major retailers
