## Titlebase Property Suite

this database contains individuals who are the owners of private property within New Zealand.

This is the ultimate database for reaching over 800,000+ private property owners in New Zealand.

By overlaying additional filters such as income, mortgage status and age can assist in targeting hard to reach affluent private individuals.

LIST DETAILS	
Quantity	800,000
Selections	Geographic Area mortgage Present Mortgagor i.e. ASB, BNZ Date of Mortgage Census Overlay Information i.e. income, age
PRICING	
Minimum Order	2,000
Deliverability	90%
Lead Time	5 days
Notes	Data information Supplied  Contact Name: will be supplied with title (where available), first name/initial, Surname Postal Address: Will be supplied with postcode (maybe physical or postal)  Hirers are required to include record number identifier on the mailing piece as first line of address in reduce font. This will facilitate dead mail updating by the list owner.
Terms & Conditions	List rental costs cover one time usage only. All data is seeded with dummy names to detect unauthorized use and copying in any form is prohibited. Two sample mailing packages will be required for approval by owner.  We require a signed copy of our list rental agreement and order form prior to any order being processed.  Payment is required on delivery of data unless arranged otherwise. 10% GST applies to all Australian Companies.
