## Australian Property Whos Who

The property Who's Who is Australia's most definitive guide to the leading industry names in property. The list is comprised of key players involved in Australian commercial, industrial and residential development projects.

The Property Who's Who has long been established as the publication that monitors changes within the Australian property industry, and is Australia's most definitive guide to the leading industry names in property.

Every year new contacts for the list are established using newspapers, directories and property publications, All contacts on the list, both existing and prospective, are then contacted personally by a team of experience tele researchers to establish if details are correct.

Thorough research ensures that by using the list you will reach the right person, first time and every time. The is a fully personalised list targeting key personnel responsible for key decisions and business developments.

All records are at business address. 99% of the records have phone numbers and 96% have fax numbers.
