Business MasterFile

Fifteen years of investment and commitment has gone into developing and fine-tuning this mammoth file of over 14 million Australian and New Zealand records.

All records are fully privacy compliant and are updated or validated weekly.

All data has current telephone details appended. In addition to micro targeting options, this file has a high 95% delivery-ability guarantee and can be purchased outright.

| LIST DETAILS | |
|--------------------|---|
| Quantity | 798,908 |
| Selections | State Postcode Gender Industry |
| PRICING | |
| Minimum Order | 5,000 |
| Deliverability | 95% |
| Lead Time | 3 working days |
| Terms & Conditions | List rental costs cover one time usage only. All data is seeded with dummy names to detect unauthorized use and copying in any form is prohibited. Two sample mailing packages will be required for approval by owner. We require a signed copy of our list rental agreement and order form prior to any order being processed. Payment is required on delivery of data unless arranged otherwise. 10% GST applies to all Australian Companies. |
