## Bounty Rewards Baby & Child

Bounty (New Zealand) is market leader in the distribution of information and educational resources to expectant and new parents and their families.

Bounty distributes the following products free of charge:

Bounty "Your Pregnancy" Publication; educational resource, written and endorsed by health professionals, providing a week by week diary to guide expectant parents through pregnancy. 96% reach of the market.

Bounty Pregnancy Information Pack; contains "Your Pregnancy" publication and local maternity and hospital service information and inserts, advertising products and services. Available from your Lead Maternity Caregiver, through antenatal clinics, general and obstetric practices, independent midwives and antenatal educators.

A new publication is due to be released in February 2007, which follows on from the earlier book and provides information on baby care to 2 years +. Reach 98% of the market.

### Bounty Gift Pack

"Bounty Gift Pack" is given to the new mother within 72 hours of giving birth. Available from hospitals, birthing units nationwide. Also contains product, service information, samples and the new Bounty Publication.

Bounty comprises of two databases; one holding name and address details of pregnant women. There are approximately 1300 records available at any one time of which 60% have email addresses. The second list is made up of parents which children aged 6 weeks to 8 years old. There are approximately 140,000 records available, most recent have email addresses.

Updated via direct and constant contact, this list is ideal for any direct marketing campaign targeting home and family.
