Pharmacy Owners

This list can be used to reach all retail chemists nationally.

There are 987 Retail Pharmacies (the shops) with a named Chief Pharmacist. In addition there are 1700 personalised Pharmacists (there may be more than one of a chemist).

Note that the owner is not necessarily a pharmacist. All records are to the actual chemist address.

LIST DETAILS	
Quantity	1,700
Selections	State Postcode Pharmacy/Owner Random Selection
PRICING	
Minimum Order	2,000
Deliverability	95%
Lead Time	5 days processing
Notes	A sample of mailing must be provided. All processing must be conducted by a bureau. Rental of data is for one time use. NOTE: Where a Pharmacy is owned by two people, records will have BOTH contacts present eg Mr A Sample & Ms B Smith. These cannot be separated by the list owner.
Terms & Conditions	List rental costs cover one time usage only. All data is seeded with dummy names to detect unauthorized use and copying in any form is prohibited. Two sample mailing packages will be required for approval by owner. We require a signed copy of our list rental agreement and order form prior to any order being processed. Payment is required on delivery of data unless arranged otherwise. 10% GST applies to all Australian Companies.
