OneTwoOne

1TWO1 is a leading resource for database marketing: we own, manage and maintain all our own Business and Consumer data. As a result, we know how to work the data to your advantage, finding the most responsive records that meet your needs.

The 1TWO1 database consists of approx:

- 225,000 Australian companies
- 330,000 Key Executives
- 450,000 non personalized Australian companies
- 650,000 personalized householders

A small example of business lists we have compiled for cclients:

- *Specialist medical practitoners
- *Small business decision makers
- *Finance decision makers in all industries

LIST DETAILS	
Terms & Conditions	<p>List rental costs cover one time usage only. All data is seeded with dummy names to detect unauthorized use and copying in any form is prohibited. Two sample mailing packages will be required for approval by owner.</p> <p>We require a signed copy of our list rental agreement and order form prior to any order being processed.</p> <p>Payment is required on delivery of data unless arranged otherwise. 10% GST applies to all Australian Companies.</p>
