Doctors & GP's-AMPCO

Over 58,000 updates a year to address information make AMPCo Direct's Medical Masterfile the most accurate and comprehensive doctor list. Updating is continuous daily.

Sources of information on doctors via:

"Update your entry in The Medical Directory of Australia"

Information from the AMA

Information from the Medical Journal of Australia subscribers

Information from other medical publishers (MPA) who use our doctor lists to mail their tabloids and journals: Australian Doctor, Medical Observer, Australian Medicine, Medicine Today and Journal of Complementary Medicine.
