## HR List- Multimedia Training Resources & Services Buyers AUS & NZ

A comprehensive and highly selective list of buyers and inquirers of high quality multimedia training resources and services from large and medium companies, local and federal government, universities and TAFE Colleges.

This list purchases from a wide collections of resources, including DVDs, e-learning, Books, Corporate Games, Profiles and assessment Tools. Training Services include workshops, training accreditation and full scale training initiatives.

The target market is primarily the main decision maker within the Human Resources areas, including "HR Manager" and "HR Director" levels. However, other common titles are Organisational Development Manager, Learning & Development Manager, Training Manager and Managing Director.

Buyers purchase both over the telephone and online
