## Lexis Nexis

LexisNexis® is a leading global provider of content-enabled workflow solutions designed specifically for professionals in the legal, risk management, corporate, government, law enforcement, accounting, and academic markets. LexisNexis originally pioneered online information with its Lexis® and Nexis® services. A member of Reed Elsevier, LexisNexis serves customers in more than 100 countries with more than 15,000 employees worldwide.

Through the integration of information and technology, LexisNexis uniquely unites proprietary brands, advanced Web technologies and premium information sources. Across the globe, LexisNexis provides customers with access to billions of searchable documents and records from more than 45,000 legal, news and business sources.

Reach these C-Level executives and a range of other management personnel from private companies reporting \$1 million to more than \$1 billion in annual sales. Target individuals at holding companies, importers, exporters or multi-national businesses at either parent or subsidiary locations.
