Motor Vehicle Buyers

This list is made up of families who have purchased luxury, value and performance cars at an affordable cost. The cars range from sporty to elegant 4 door models.

The cars purchased have all been upgraded with a combination of added options and accessories. Each accessory has been designed to fully integrate with the car and maximise performance and comfort. Its clear that the people on this list seek style and are keen to make a statement which projects a more up market image.

The file is fully personalised.
