Neo Tech Mail Order Buyers & Inquirers

These highly responsive buyers have purchased or shown an interest in reports on how to acquire money, power, romantic love, vibrant health and good life.

Buyers and Inquirers are searching for ways too give themselves an advantage over others; not only financially but also in personal relationships, business confrontations and gambling.

Once purchased, these active buyers continue to seek life answers by purchasing other Neo Tech high ticket items.

Approximately 90% of the file is made up of men. The average unit sale is US\$94.00. The file is generated by direct mail and space ads. It is updated on a quarterly basis.
